

## ANSWER THE QUESTIONS :-

a) What type of cybercrime is happening here?

Answer:

**Phishing scam / Job scam fraud**

(The attacker is pretending to be Google to steal money.)

b) List 3 red flags that show it is a scam?

Answer:

1. **Asking for money (₹2,499 verification fee) –**

**No real company charges money for hiring**

2. **Fake urgency – “Limited seats. Pay now to confirm.”**

3. **Unprofessional message – Real Google jobs are never offered randomly on LinkedIn messages without official email or interview.**

c) What should he do to verify if a job offer is real?

Answer:

1. **Check Google’s official careers website (careers.google.com) to see if such a role exists.**

2. **Contact Google HR through official email (not LinkedIn messages).**

3. **Check the sender’s profile for verification, work history, and authenticity.**
